MAR's goal is to raise money for our beneficiaries – TTR to help special riders participate in the program, and EHHR to help with their horse and pony rescues – and to provide models showers the opportunity to participate in a quality NAN-

qualifying show with a wide variety of divisions and classes. Both beneficiaries offer AWESOME services, and I cannot emphasize enough the great work that goes on with these programs. Over the years, more than \$55,000 has been raised for our charities!

MAR ENTRY INFORMATION

This year, entry fees for the two days are different, due to the number of classes offered on each day. Please see the entry form (last page) for complete information. A complete entry **MUST** include ALL of the following:

- Completed, legible, and signed Entry Form.
- Proper entry fee – check or Money Order made out to “Elizabeth Andrews/MAR” or PayPal to: fpmvendetta@yahoo.com. If sending entries via email and PayPal, they **MUST** be sent on the same day; if not, they will be returned. All payments made after 2/19/22 must be made by money order, cash, or PayPal, except day of show entries which must be paid in cash (exact change).

Mail entries to: Betsy Andrews, MAR Show Manager – 115 Earle Branch Rd. – Centreville, MD 21617 or email to fpmvendetta@yahoo.com. Entry confirmation will include assigned initials for your tags.

No space will be “held” for anyone. You will not be considered “entered” until your properly completed **entry form and proper entry fee** are received by the Show Manager.

Results (1st and 2nd places only) will be available on the website within four weeks after the show, and will be sent to entrants via email.

Seating is assigned. There is a limit on the number of entrants, so please enter early.

NAMHSA approved! If a model (equids, appropriate others) places 1st or 2nd in any open class it is eligible to show at NAN through 2025, and/or participate in their Merit Award program.

We will try to limit the number of rings used to no more than five per day, so the show won't be so hectic.

Changes/new for 2022 (highlighted in yellow)

- This year, **Karen Gerhardt** is the individual we will celebrate by offering extra halter sections for CM, AR, and CG works created by her, as well as OF Stone molds and OF Breyers! Karen has graciously offered to provide prizes for these sections! Karen has been involved with MAR off and on ever since the mid-1980's – as a participant and long-time supporter through sponsorship and donations. We're thrilled to honor her this year!
- Possible Special awards for Grand Champions – etched glassware – donated by a longtime entrant and supporter of the show – working on details
- Expanded Exotic/Fantasy Sections!
- New – Micro Mini Divisions!
- New – Bas-Relief/Bust Sections!
- Work is underway for possible special runs from Animal Artistry and Stone Horses!
- Commemorative 40th anniversary Bas-Relief!
- 40th anniversary assorted bling!
- Saturday Night Shenanigans! Plans for an after party for entrants are underway, open to entrants only...
- Exploring the possibility of having lunch delivered...
- Still working on some fun classes to offer on each day – these will be highlighted on the website!
- Tables in this hall are 8' in length, compared to most shows where they are only 6'.

Sponsorship & Donations

This year, MAR can really use your support. The entry fee has not increased in years, though other expenses have increased. Please consider sponsorship to help defray increased show costs and also help the beneficiaries. Rates are \$3/section or \$10/division. All sponsors receive acknowledgement in the show program.

Green highlighting indicates classes that require an additional fee.

Copperfox models – show with Breyers in breed classes.

Etched models are shown as customs.

Factory Custom (Stone) – any change from the original mold EXCEPT gender changes.

Geldings – stallion models may be shown as geldings. Models will be judged on gender type/suitability.

“Other” classes – if the class has “Other” in its title, please include what the “other” is. Without this information, the judge has the right to disregard the entry.

Pony Pound – Models left on the table after a class is judged/cleared may be removed and placed in the pony pound. A \$1 donation will bail it out. Proceeds go to the charities! The show committee may not be held liable for damage or loss of these models.

JUDGING CRITERIA

Halter – Breed Classes – Models will be judged on breed standards/characteristics, anatomy, biomechanics, conformation, build suitable to gender, acceptable colors, and realism. Condition is a consideration, but minor flaws/imperfections will not disqualify a model – especially in OF breed classes.

Halter – Workmanship Classes – CM/AR/CG models will be judged on prepping/sculpting quality, neatness of work, even paint, correctness/realism of customization, acceptable color/markings, etc. OF models will be judged on finish, condition (including absence of rubs/flaws/etc.), clean seams, correctness of painting, color, markings, realism, etc.

Halter – OF Collectable/Collectability – will be judged on finish, age, rarity, condition (including absence of rubs/flaws/overspray/etc.), clean seams and similar factors. Desirability and value may also be considered.

Documentation is required - **see Documentation – Collectability**.

Performance – Models judged on proper tack/obstacles (this includes correctness and fit of tack, scale and set up of obstacles) and on suitability for the event, including the ability to participate in a safe manner. If you think the judge will have any question concerning your entry, a **brief** explanation on a 3x5 or 4x6 card may be included with the entry. There is no time to read a full or even half page of information.

BREED DEFINITIONS

Remember, **these are BASICS**, and the list does not include every breed known to man. You may show your Appendix QH in a Sport Breed class if the model looks like a sport horse and not a stock horse. You may show your Ahkal-Teke in a Sport Breed class if it looks more sporty than light. Mustangs could go in any number of classes, depending on their look (stock, Spanish, etc.). **ONLY ONE BREED CLASS PER MODEL**. So if your Appendix QH doesn't place in Other Pure Sport, we DON'T want to see it in QH/Solid Colored Stock Types! The [NAMHSA Breed List](#) is a good starting place, or ask the judge of the division.

JUDGES/JUDGING

Judges may show in divisions/sections they are not judging.

Judges may not judge a model they have created, nor judge a model that they have sold or been asked to proxy show within the last six months.

Judge's Decision – is final. Tactful questions are welcome between classes.

Judges – if no one offers to judge a division/section, it will be cancelled.

Those who judge will be given tables closest to the rings. Other perks may also be provided (early entry to the hall, upgrade to larger table, first dibs on special runs, etc.).

Showers/spectators – please stay away from the judging tables when judging is in progress, and refrain from talking with judges while they are judging.

Please contact the Show Manager if you would like to judge. There are lots of divisions/sections available to choose from!

Judges will be listed on the website.

OTHER SHOW RULES

Silent **auctions/raffles/Best Offers** will be held on each day. More information on what will be available will be sent at a later date. If you are interested in donating an item – proceeds go to our charities – please contact the Show Manager.

Belongings must be placed on or under your table. No spillage into aisle ways. Doorways and aisles must also be clear. Remember – others could slip/trip/fall/damage property or themselves and you will be responsible. Please consider taking empty boxes/cases to your car. If more space is needed, consider paying the vendor fee and bringing your own table or rolling cart for extra room. **NO BOX EXTENSIONS!**

Parents are responsible for their small/young **children**. Those twelve (12) and under must be supervised by an adult at all times. Entrants are responsible for themselves, their children and **guest's** behavior and any damages caused.

Disruptive individuals will be asked to leave with no refunds given.

Cancellation/Refund policy: Once your entry is received, there are no refunds.

Classes will be run in the order presented in the class list. However, **divisions/sections** may be moved if ring space becomes available. Also, multiple classes may be called up to different areas of a table if classes are small.

Complaints about judging, smoking, etc. should immediately be brought to the attention of the Show Manager.

Please instruct any of your family/guests on proper show **courtesy**. You are responsible for your family and guest(s) actions. Please be courteous and respectful of family, other participants, the general public, judges and show staff. No alcohol (except for wine/etc. for the auction/raffle!), bad language, pets (except Service Animals), radios/music, running or smoking in the show hall.

Damage – if you, your children or guests cause any damage to the facility, models, property/etc., you will be liable for the cost of repairs.

Directions – MapQuest works well, as do most GPS. If you have questions, please contact the Show Manager.

Documentation – Collectability: Documentation is required for collectability classes as follows:

- Mandatory: Name of manufacturer, original mold name and model name (i.e., Midnight Sun/Blackberry Frost), manufacturing dates
- As much of the following information as possible: edition size/limitations, variation, and any other information that might help in evaluating the model (not value/price paid)
- Sources should be noted (IdentifyyourBreyer, Stone Reference Site) if at all possible - this is a plus!

This information must be provided on a 3x5 or 4x6 card, printed legibly and if typed, in at least a 10 or 12 point font. Dark print is best for readability.

Documentation – General – Table space is limited, so entrants are asked to keep documentation to no more than 8.5" x 11" (except Documentation – Collectability – see above), but smaller (4x6) is much preferred. No books are allowed on the table. Sources should be noted. Judges can't take time to read a lot so keep information brief/to the point. No documentation is needed for common breeds/colors/patterns. Please write as neatly as possible. Type font sizes should be between 10 and 12 in black or blue (easier to read!).

Donations – are gladly accepted! Please contact the Show Manager if you have an item(s) you would like to donate. Donations should be new or like new. Horse/model related items are preferred, however other items will be accepted, especially those relating to dogs, cats, wine, etc. Items will be used in the raffle/auction/etc. with proceeds going to the show's beneficiaries, and, if needed, to help defray costs of running the show. Photos and descriptions may be sent prior to the show for display on the website.

Dusting – Please groom/dust your models prior to bringing to the show table. Excessive time spent dusting slows the show down and the dust you brush off your model into the air can settle on another shower's model. 😊

Electronic Device Policy – keep the volume to a minimum.

Grandest of the Grand – on each day, all Grand Champions will be called back and voted on, with cash, by participants. Models must be present. A special award will be issued to the Grandest each day. Proceeds go to our charities.

Please keep the **hall** clean. Nothing attached to the walls/ceilings/etc. The hall must be vacated within one hour of the end of the show. If you are late, you will be charged. Please don't **smoke** right outside the door(s) and please dispose of cigarette debris in an appropriate manner.

Hotels/Motels

Best Western Denton Inn – 521 Fleetwood Rd., Denton, MD 21629 – 410-479-8400 – **about 10 minutes** from the show hall.

Easton hotels – Quality Inn, Hampton Inn, Holiday Inn Express, Econo Lodge, Best Western and Fairfield Inn. **About 20-25 minutes from the hall.**

Harrington, DE – Quality Inn, Holiday Inn Express and Super 8. **About 25-30 minutes from the hall.**

There's a good deal to do in the surrounding areas of Denton, Easton, St. Michaels, Oxford, Dover, Centreville, and Queenstown. This includes museums, outlets, parks, etc. We're not that far from Wilmington DE, Baltimore MD, and Washington DC.

Liability – The MAR Show Manager, Show Committee, Judges, Volunteers, and Caroline County Extension/CC4HYP cannot be held responsible for any lost, broken or missing property, injury to any participants or spectators. Security is the responsibility of each individual exhibitor. You may leave your possessions in the hall overnight at your own risk. No key is issued to the Show Manager – the CC4HP closes/locks and opens/unlocks the hall.

Listen carefully for all announcements. Talk in normal tones so announcements can be heard.

Lunch/Food – NEW THIS YEAR: With a new hall, you may now bring in outside food! That being said, there will be no food offered at the show hall. However there is a Royal Farms on the way to the hall (on 301) and multiple fast food places in Denton (within a 10 minute drive). There will be a lunch break – probably starting around 12:30 pm for one hour. And we are looking into offering to get pizza or something similar for lunch – stay tuned!

Parking/Unloading/Loading – please do not block the entry doors. There is plenty of parking.

PayPal is accepted for show entry – fpmvendetta@yahoo.com

Do not **pick up** any exhibitor's models without their permission. If you damage someone's model, you'll have to pay for it. The only exception to this is if someone has left a model on the judging table after their class; the show committee reserves the right to move the model. They will be careful, but cannot be held responsible for any damages.

Pony – for NAMSHA purposes, a pony is a member of a breed where most individuals are under 14.2 at maturity.

As **questions** are raised, be on the alert for clarifications/interpretations of rules/etc. in information sent to registrants and posed on the website/Facebook.

Results – first and second place results will be recorded. These will be emailed to participants.

Selling– showers are allowed to sell items within the show hall. Again, all items, belongings, etc. must be stowed below tables for aisles to remain clear of slip, trip, or fall hazards.

Service Animals are welcome – please indicate if you are bringing one on your entry form. Please – no other animals.

Sponsorships are gratefully accepted. Rates are \$3/section or \$10/division. All sponsors receive acknowledgement in the show program. Please consider supporting the show with a sponsorship.

Poor **sportsmanship** will not be tolerated. Anyone showing poor sportsmanship will be asked to leave (also any family members/guests) with no refund. We expect all showers, judges, their family and guests to be courteous and considerate – both at the show and on social media.

Table Space/Assignments – table measurements listed are based on what the hall representative quoted. Tables are assigned on a first come, first serve basis, except that judges will get tables closest to the rings. If you'd like to be seated with a specific person, send your entries in together. Otherwise, if you request seating with a particular individual, the first entry will be held (for table assignment) until the second is received.

Tags – All models must have a leg tag for identification purposes, with the model's name and owner's initials on one side and model's breed, gender, and age (foals/weanlings in months) on the other side. Models without this information will be disqualified (except Novices – only breed and gender is needed). Listing color can be a plus! Models showing in Collectable classes do not need an age. When in the show ring, breed/gender/etc. side should face up.

Side 1	Side 2	Side 1	Side 2
Model Name Owner's Initials	Breed Gender Age Color (optional)	One More Poco BWA	QH Gelding 15 Buckskin

Tippy models – may be shown lying down on a soft cloth/material. This gives the judge permission to pick up the model so they can view the other side.

Updates will be given through confirmation correspondence and preshow letters (via email) and also posted on the website/Facebook page.

Vendors – must bring their own tables.
